Our Mission

The purpose of Winchester Christian Academy is to provide your family with a positive learning experience in a loving Christian environment. Christ's love is modeled daily, through example and through teaching. Stories and lessons from the Bible are taught at age-appropriate levels. Our curriculum encourages age-appropriate development of motor, language arts, math, science, social studies, computer, listening, and social skills. Additionally, we provide opportunities in art, music, and dramatic play. Our school is open to families of all faiths and traditions.

Our Program

The 2012-13 school year will mark the sixth year for Winchester Christian Academy. In addition to our other classes, we are excited to announce that we will be offering a third grade class!

Our Past and Future

After much prayer, Winchester Christian Academy began with a desire to provide students an exceptional education in a nurturing Christian environment. In the Fall of 2007, WCA began with two classes, a total of thirteen students, and a staff of two teachers. As we prepare for our sixth school year this Fall, we plan to enroll around one-hundred students in preschool thru 3rd grade with a staff of eighteen. Please continue to pray that God will bless our efforts as we grow both spiritually and numerically.

Special Opportunities

To each student, we provide the opportunity to participate in special classes. These include Art, Music, P.E., Spanish, and Library. We also have a special chapel time each week where we sing Bible songs, recite Scripture, and pray together.
