### Thank You Note

Dearest Winchester Church,  
We would like to express our love and gratefulness for everything you have done for our family during James' extended illness. The prayers, cards, visits to the nursing home were greatly appreciated. All of the food the church brought was delicious. The singers and the words spoken of James were encouraging and uplifting for us to hear. He truly loved his church family.

We love you all,  
The James Church family

*"And we have known and believed the love that God has for us. God is love; and he who abides in love abides in God, and God in him." 1 John 4:16*

### Happy New Years!

The right beginning: tonight we will devote the evening service to prayer. I cannot think of a better way to begin New Years! So I have prepared this morning's lesson on the theme of praying in the New Year.

Thank You: I want to thank all of you who pledged towards the building of the needed addition for the Winchester Christian Academy. While I hoped for \$300,000, I realize that what is committed is liberally promised. Both the elders and I are not unaware of the economic situation and appreciate your generous giving toward good works. If you forgot to pledge before today, I don't believe it would be rejected because it is a day late.

Calls from the past: From time to time I receive a phone call or sometimes an email from someone I haven't had any contact with for decades. Usually it is a preacher or perhaps a former member and they call to reconnect. I just received another this morning. It was a preacher I knew from thirty-five years ago. He faces a tough situation and just wanted a little encouragement. Other times it is a former member wanting to let me know he or she is still faithful or still married (someone I performed their ceremony). One thing this says to me: even though you may not realize it, your influence lives on in the lives of those whom you have touched in years past!
