MCMXLXIII Volume 63
 Number 23

Memorial Day Weekend: I hope you enjoyed a great long weekend last week. We had a great Sunday with lots of visitors and 437 in attendance. Joseph preached and did an outstanding job. Ross Garrison reported in for his internship this summer and was introduced to the congregation. He is staying at our house for the summer. Sunday night found us enjoying an ice cream social wishing the Robertson family the best in their upcoming move to McEwen. We will miss them greatly. They have been a powerful family for good in our midst. Monday I was in the office early at 6:00 in preparation of a funeral sermon for later that day. A member of River Road and a dear friend passed away and I did his funeral service in Nashville. We left the house at 8:30 and got back around 5. A preacher's work rarely fits into an 8 to 5 schedule; some days it's one thing and other days it is another.

Health in America: I am looking at a recent USA Today article that reports on the habits of the average American. 61% drink alcohol. 40% do no leisure-time physical activity. 20% still smoke. 36% get less than seven hours of sleep at night. Their conclusion is that there is a large segment of our population that need to improve their habits for improved health. While I am concerned for physical health, I am more interested in spiritual health. I wonder not how American citizens would fare; I have a pretty good idea. But I wonder how those with heavenly citizenship would fare. How much time do you spend in prayer, in Bible reading, in quietly meditating about heavenly things, in individual worship and praise to God? If you are like most folks, you are so busy with the demands on your time that it is easy to allow these important times to slip. But if we are to remain spiritually healthy, we need to be sure they receive the highest priority.

June 27th: Don't forget our day honoring active duty soldiers. It is scheduled for 2-4 PM in the auditorium Sunday, June 27th.

Thank You Notes

Friends,
There is no way to adequately convey the depth of my gratitude for your generous gift to help with losses sustained as a result of the recent flood. Thank you seems so small, but I am humbled and deeply thankful. When things seem so dark as they do at times like this, people like you shine a light on the path forward and that makes it possible to keep taking the next step.

With deep gratitude,
Laurie Winton

Dear Friends,
Thank you so much for your love and concern, your phone calls and especially your prayers during my son's recent surgery in Florida. He is recuperating at home. Your continued prayers will be appreciated as he improves each day.

Much love and appreciation,
Donna Scheuerman

The donation contributed to our project graduation was greatly appreciated. This enables us to create memories for the class of 2010. We thank you for supporting this event.
